

Giving Young Children the Tools to Become Successful Readers.

1,000 Books Before Kindergarten is a new Library program that encourages all Greenville and surrounding families and caregivers to read 1,000 books with their young children before they enter kindergarten.

The concept is simple, the rewards are priceless. Read a book (any book) to your newborn, infant, and/or toddler. The goal is to have read 1,000 books (yes, you can repeat books) before your precious one starts kindergarten.

Register at the Children's Desk
and pick up a reading log.
